

## CHAPTER 8.00 - AUXILIARY SERVICES

### SAFETY

8.01\*+

- I. The principal shall cooperate with the Fire Department, the Highway Patrol, the County Sheriff's Department, and other agencies in providing safe conditions for students. School safety patrol units are encouraged.
- II. The principal, bus drivers, teachers, school food service personnel, and custodians shall strive to protect the physical welfare of each student.
- III. The principal shall remove hazards where possible and shall report in writing to the Superintendent all other known hazards. Barbed wire shall not be used on school grounds except by the School Board's authorization.
- IV. Students shall be given information which encourages compliance with the safety belt usage law by means of appropriate courses such as driver education, health, and safety.
- V. A child under the age of sixteen (16) shall wear appropriate headgear as required by law for any equine activity on a public school site. Students shall wear appropriate headgear when participating in an off campus, school sponsored equine activity as required by law.
- VI. The District shall annually conduct a self-assessment of safety and security practices. Based upon this self assessment and other concerns, if applicable, the Superintendent shall present appropriate recommendations to the School Board for increasing safety and security and the School Board shall take such actions as it deems necessary and appropriate to address safety and security in the District or at individual sites.
- VII. No person shall bring on any School Board premises or have in his/her possession or in his/her vehicle any School Board property, any firearm, weapon or destructive device unless such weapon is required as part of his/her regular job responsibilities.
- VIII. The Superintendent shall develop and present to the Board for approval appropriate emergency management and emergency preparedness plans.
