Responsibilities of parents:

1. Schedule an appointment to enroll your child in the Lafayette’s MyDistrict Virtual School by calling 386-294-1417.
2. Complete enrollment paperwork at Lafayette High School Guidance office, 160 NE Hornet Drive, Mayo, FL 32066.
3. Register your student at www.mydistrictvirtuelschool.org.
4. Lafayette’s Virtual School students are required to participate in district and statewide assessments. Parents will be notified of assessment dates and locations.
5. Parents must provide internet and computer access in the home. (hardship waiver available).
6. Parents are required to be the parental learning coach who works hand-in-hand with the online instructor to provide support for elementary learners.
7. Parents are required to ensure that their child works actively in courses each week so that all coursework is completed within semester timelines. Attendance is taken each day.
8. Parents are required to attend a parent conference annually with district staff counselor to assess the progress of their child.

Lafayette's MyDistrict Virtual School Parent Information Guide

Three requirements for Lafayette's MyDistrict Virtual School enrollment:

1. A parent and student will make an appointment to meet for an orientation meeting outlining requirements and commitments to Lafayette's MyDistrict Virtual School guidelines and policies. Appointments may be scheduled by calling 386-294-1417.
2. Parents will complete enrollment forms in Student Services Office.
3. Student will complete an online application at www.mydistrictvirtualschool.org.

Considerations:

Lafayette's MyDistrict Virtual School is recommended for students achieving on Level 3 or higher on FSA reading and math. Level 1 and Level 2 students are required to take Intensive Reading courses that are not available through Lafayette Virtual School.

Students (Grades 6-12) will be required to take six (6) courses just as students who attend a brick and mortar school. Students who are Dual Enrolled at North Florida Community College may not be required to take 6 courses depending on graduation requirement.

Student will need access to a computer and internet on a daily basis.

Student will be required to take FSA and other state and district monitoring assessments at a school which will be assigned to them. Parents will provide transportation for assessment days.

Students who are not progressing within the first 28 days of the semester will be automatically dropped from the Lafayette Virtual School and will need to enroll at their home school.

Students will need to complete all coursework within the 180 day school year. Students have a flexible day but must follow the traditional school calendar. Students in K-3 should plan to spend 4 hours a day for instruction. Students in Grades 4-8 would need to spend about 5 hours a day for instruction to be able to keep pace. Students in Grades 9-12 may need as much as 6 hours of instruction time per day to meet the pacing requirements of online courses.

All existing requirements related to student progression including retention, promotion, and grade assignment are the same for Lafayette's MyDistrict Virtual School as they are for any other student enrolled in the district.

Students completing graduation requirements are eligible for a Lafayette School District diploma but do not participate in graduation ceremonies.

A minimum number of assignments are required to be completed each week. Failure to submit the minimum number of assignments on a weekly basis may result in removal from a course and a failing grade assigned to the student's academic transcript. Students with failing grades

will be dropped from the Lafayette Virtual School and be required to enroll at their home school. A student may drop a course without penalty within the first 14 days. **Dropping a course after the 14th day will result in a WF (withdrawal F).** If a course is dropped after completing over 50% of the coursework and if the student fails to take the final exam, a final grade of F will be issued. When a course is dropped, another course must be added to continue to be enrolled in a total of six courses.

Grades cannot be transferred from Lafayette's MyDistrict Virtual School except at the semester upon completion of a course.

Students will only be enrolled during a **Fixed Enrollment Window** each semester. **No students will be allowed to enroll after that window has closed.**

Enrollment Windows for 2017-2018:

May 12, 2017 – July 11, 2017 for first semester

2nd Enrollment Period – July 12, 2017 – September 20, 2017

December 4, 2017 – February 2, 2018 for second semester

All course selections must be approved by district staff counselor to ensure they meet the district and state requirements for the student.

Students must be highly motivated, organized and committed to their education through putting forth the time and effort needed each day.

ESE student information:

ESE students who require specialized direct instruction and support in one or more academic areas in order to succeed in the general curriculum should be aware that this type of intensity of service is not available through a virtual instruction program. The district may convene an IEP team to discuss the appropriateness of the Lafayette Virtual School. If the parent chooses to enroll in the Lafayette Virtual School against the recommendations of the IEP team, enrollment may be contingent upon the parent revoking consent for services under IDEA.
